February Report

Starting with Smiles & Songs

The theme of our February 16th gathering was Taekwondo, and wow, what an incredible experience it was!

We kicked off the day with action songs that got everyone moving! There was something so special about seeing children and adults alike joining in with bright, joyful smiles.

One child even hopped up onto the stage, dancing alongside the leading team—such a wonderful reminder that Biorn Club is truly a place where everyone feels free to shine!

A Day of Fun, Growth & Belonging!

Under the patient guidance of James, our Taekwondo master, we saw firsthand how

Taekwondo can be a powerful tool—not only for physical exercise but for building focus, discipline, and self-assurance.

The young men were thrilled, throwing themselves into every punch and kick with growing strength and confidence.

Creative Fun with Corn Craft

While the Taekwondo session was in full swing, the girls had a fantastic time crafting with colorful corn kernels. With imagination and creativity, they turned the kernels into delightful “burgers” and “cookies.”

Having a Blast with Bricks

The younger boys also had a blast building and playing with brick blocks, immersed in their own world of play.

Where Kids Blossom & Bloom

Joy and laughter filled the room, and it was truly uplifting. We are so encouraged to see how these wonderful children are blossoming—from taking cautious first steps to growing into their own, surrounded by friendship and support.

Thank you to everyone who came in February. We can't wait to see you again on March 16th for more unforgettable moments!
