WHAT PARENTS SAY

“Warm, welcoming and supportive. This event created invaluable moments of joy 🥰
Thank you so much for all the efforts 🙏”

A Joyful Start to Our Special Needs Program!

On January 12, we were thrilled to host our very first gathering of BIORN CLUB.

The children were all smiles as they participated in simple songs, dance movements, and engaging games.

The fun wasn't just for them — parents joined in the singing and games, creating a warm and inclusive environment where everyone felt a sense of belonging.

A BIG DIFFERENCE!

Being together with fellow parents who understand made a BIG difference!

Parents expressed their appreciation and relief at simply being able to sit down and enjoy a meal together, as they often faced scrutiny and stares when dining out.

Where every child & parent feels valued and celebrated!

After the activities, we gathered around for some fellowship over food. As we tucked into kids' favorites like fries, sausages, pasta and fruits, it was heartwarming to see everyone enjoying themselves around the table.

The atmosphere was filled with laughter and conversations, as families connected and shared this special time together. The children's smiles were priceless — pure, joyful, and contagious!

Looking ahead

Our first gathering was a small but meaningful start, and we are excited to grow as a community. We look forward to welcoming more families in the months ahead.

Thank you to everyone who joined us for this special day. Let's make our next gathering on February 16 even more memorable! 🙌
