Our Biorn Clubhouse is almost ready to welcome you!

We are taking a **bold new step** in growing the Biorn Club community!

In the last few months since we started in January 2025, we were hit with unexpected venue costs for our various activities. This spurred us on to find a **base for our community and enrichment activities.**

After much deliberation and with much trepidation, we have signed a 2-year rental lease for this modest 689-square-foot unit.

It will be our base for offering **regular enrichment classes**, as well as **therapy sessions** with certified practitioners.

While these sessions will be fee-based, we welcome you to **sponsor sessions for lower-income families!** Your contribution will be a blessing to families with special needs.

Pizza-making Fun!

On April 13th, there was a buzz at Pizz@ as our community gathered for a pizza-making session where our children got to show off their creativity and talents.

With aprons, caps, and face masks on, everyone was ready and excited to begin. The friendly staff from Pizz@ started by introducing the pizza toppings — ham, pepperoni, olives, pineapple, and of course... lots of cheese!

Next up was the dough! While the little ones chose to focus on decorating their pizzas, our teens took on the challenge of kneading and shaping their "masterpieces".

Chefs at Work!

It was amazing to see how focused and creative everyone was.

With help from parents and the Pizz@ team, the younger kids carefully layered their favorite toppings, and it was clear that cheese was the all-time favorite!

The teens did an impressive job too — some even managed to roll out perfectly round pizza bases!

Then came the mammoth challenge of baking 21 pizzas! While waiting, the kids played together — some stacked blocks, some played with puppets, while others chatted and giggled with friends.

Finally, the pizzas were ready! One by one, the kids were called to collect their creations. Their smiles said it all — excitement, joy, and pride!

It wasn't just about food — it was about sharing a moment of joy, success, and love.

They couldn't wait to show and share their pizzas with their parents. But it wasn't just about food—it was about sharing a moment of joy, success, and love.

Thank you to everyone who came and helped make this day so special.

Thanks too to Arica and the amazing team at Pizz@ for accommodating our group with warm and welcoming hearts!

Truly memorable!
