An inclusive event for families with children of diverse abilities, focused on fun, connection, and community.

December Report

Christmas Cheer

On December 7, Biorn Club hosted an early Christmas Celebration for about 120 participants — our biggest-ever gathering! This included 25 families, along with our volunteers, partnering organisations, sponsors, and first-time visitors.

The event also attracted members of the public who came to learn more about the special needs community. Many showed their support by engaging with our work and purchasing Biorn Club merchandise, which was really encouraging!

Learning with Fun!

The event kicked off with an energetic warm-up dance, and the children eagerly rushed to the stage and moved freely to their favourite songs. They became the stars of the celebration — each radiating child-like energy, joy and excitement!

The celebration continued with the nine sensory-focused game stations prepared by Biorn Club and our partnering organisations. With loving encouragement from their parents, children embraced each challenge that developed their sensory awareness and fine-motor skills, all while having fun.

Stamps collected from the games could be redeemed for gifts, motivating the children as they proudly chose their toys and carried the generous goodie bags.

The Sound of Music

The programme was enriched by singing led by Ms. Ivy, and a heartfelt cello performance by talented special needs cellist Mr. Shang Wy.

As the melodies filled the air, we all instinctively swayed along to the music.

Recycled Runway

Another grand highlight was the Recycled Runway, where the children confidently presented their handmade recycled accessories before a large audience — showcasing not only their creativity, but also their sense of belonging and confidence!

The event culminated in a sumptuous lunch. As the celebration drew to a close, our tummies and our hearts were full. The entire event had been a resounding reminder that Christmas is not just about gifts and festivities, but about love, acceptance and community.

An Outpouring of Thanksgiving

Following the event, we received an outpouring of encouraging feedback from parents as well as partnering organisations.

Many shared that they had truly enjoyed the celebration, appreciated the inclusive environment, and were looking forward to our 2026 Christmas Celebration, as well as future collaborations.

A Big THANK YOU!

We are truly grateful to every parent, volunteer, sponsor and partner who made this Christmas celebration possible.

Together, we are building a community where every child is seen, valued, and celebrated.

“Together, we create a community where every child belongs and shines!”
