Fitness Dance!

May Report

On May 10, our community was excited to welcome back one of our favourite activities — Fitness Dance! Many had been eagerly looking forward to dancing along to familiar songs they know and love.

Even while preparations and set-up were still ongoing, some participants had already arrived. Without any official start, the place naturally came alive with laughter, music, and movement.

As the music began, our dance lovers immediately made their way to the stage, finding their spot and moving to the rhythm.

Others happily danced on the floor, enjoying the session in their own unique ways.

Getting into the rhythm

Although it had been some time since our previous dance session, many participants surprised us by remembering the dance steps so well. Their enthusiasm made the session especially lively and meaningful.

Parents and caregivers also participated fully alongside their children, making the dance a beautiful expression of encouragement and support within the family.

One step at a time

After the dance session, the excitement continued with a series of physical and sensory games.

One highlight was the “Warrior Challenge,” where participants attached sticks with cups on their backs, transforming themselves into little Star Wars warriors ready for battle.

In the “Ocean Balls” game, participants discovered that using chopsticks to pick up a ball from an ‘ocean’ of balls requires patience, practice, coordination and skill.

While it was challenging at first, every participant successfully completed the challenge. It was a wonderful reminder that growth happens best when we are willing to try and learn together, one step at a time — just like in dance!

A Mother's Day Surprise!

At the same event, Biorn Club prepared a special surprise to appreciate our amazing mothers and caregivers!

The children were given a variety of flower templates to choose from, to make into handmade bouquets. They eagerly selected, coloured, and wrapped their creations. Some even wrote heartfelt words of love and thanksgiving on the wrappers.

Every bouquet was meaningful and personal — a beautiful expression of gratitude. It was a moment for mothers to savour a moment of appreciation for all that they do for their family.

The celebration was made extra special with the support of our generous sponsors. Every parent was served a special meal of their choice from Bora Bora Cafe.

To encourage parents to care for themselves, Biorn Club gifted every parent a \$50 discount voucher for our Parents' Art & Relax Session (valued at \$80). We hope this will help parents make time to experience moments of rest!

It was a meaningful reminder that Biorn Club is not just a programme, but a caring community where families are celebrated, and everyone feels valued and seen.
